J Sainsbury plc ("Sainsbury's")

Rule 2.10 Announcement

Relevant Securities in Issue

In accordance with Rule 2.10 of the City Code on Takeovers and Mergers, Sainsbury's confirms that it has 1,720,174,105 Ordinary shares of 28 4/7 pence each in issue.

The ISIN reference for these securities is GB00B019KW72.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Takeover Code (the 'Code'), if any person is, or becomes, 'interested' (directly or indirectly) in 1 per cent or more of any class of 'relevant securities' of Sainsbury's, all 'dealings' in any 'relevant securities' of that company (including by means of an option in respect of, or a derivative referenced to, any such 'relevant securities') must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the 'offer period' otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an 'interest' in 'relevant securities' of Sainsbury's, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all 'dealings' in 'relevant securities' of Sainsbury's by CVC, KKR, Blackstone or Sainsbury's, or by any of their respective 'associates', must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose 'relevant securities' 'dealings' should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk.

'Interests in securities' arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to disclose a 'dealing' under Rule 8, you should consult the Panel.

The ISIN reference for these securities is GB00B019KW72.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Takeover Code (the 'Code'), if any person is, or becomes, 'interested' (directly or indirectly) in 1 per cent or more of any class of 'relevant securities' of Sainsbury's, all 'dealings' in any 'relevant securities' of that company (including by means of an option in respect of, or a derivative referenced to, any such 'relevant securities') must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the 'offer period' otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an 'interest' in 'relevant securities' of Sainsbury's, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all 'dealings' in 'relevant securities' of Sainsbury's by CVC, KKR, Blackstone or Sainsbury's, or by any of their respective 'associates', must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose 'relevant securities' 'dealings' should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk.

'Interests in securities' arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel's website. If you are in any doubt as to whether or not you are required to disclose a 'dealing' under Rule 8, you should consult the Panel.

Dear Sir

J Sainsbury Announces: Notification of Sale of Five per cent of Sainsbury's Bank

Please find enclosed a copy of the above announcements made to the London Stock Exchange on 9 February 2007.

Yours sincerely

Hazel Jarvis
Deputy Secretary

Enc

9 February 2007

Sale of five per cent of Sainsbury's Bank

Sainsbury's today announces that it has sold five per cent of its shareholding in Sainsbury's Bank for £21 million to HBOS. This sale will give rise to a profit on disposal of around £10 million. The proceeds will be used for general business purposes.

As a result of this transaction the Bank will become a 50:50 joint venture between Sainsbury's and HBOS with equal control and input at shareholder and Board level. Both parties believe that the 50:50 joint venture structure is more appropriate and reflects the shared commitment each partner has to growing the business for the long-term.

The Board of Sainsbury's Bank will comprise eight directors with three from both Sainsbury's and HBOS and two executives from the Bank. Benny Higgins, HBOS retail chief executive, will be the new chairman for a period of two years, after which Darren Shapland, Sainsbury's chief financial officer will assume the role. The Sainsbury's directors will be Darren Shapland, Gwyn Burr, customer director and Imelda Walsh, HR director.

Darren Shapland, said, "We are committed to growing the Bank's business and are increasing our presence in the financial services sector. The Bank's chief executive, Rob Walker, is streamlining the operational structure and developing a broader business plan. The sale of our five per cent for £21 million demonstrates the value of the Bank and a 50:50 structure reflects the continued commitment of both shareholders'."

Benny Higgins, said, "Sainsbury's Bank has strong customer loyalty. The business has demonstrated it can acquire and retain customers very effectively. There is significant potential to grow the business. We aim to do just that."

Notes

1. Certain statements made in this announcement are forward looking statements. Such statements are based on current expectations and are subject to a number of risks and uncertainties that could cause actual results to differ materially from any expected future events or results referred to in these forward looking statements.
2. Until 8 February 2007 Sainsbury's Bank performance will be fully consolidated into the Group results and will be included in Group underlying profit before tax. A minority interest will be shown for the minority share of this performance to the date of the transaction. The profit on disposal will be excluded from underlying profit before tax. Following this transaction, Sainsbury's Bank will be treated as a Joint Venture and accounted for under the Equity Accounting method. Sainsbury's equity share (i.e. 50%) of the Bank's post tax profit or loss will be disclosed through the line "Share of post tax profit from joint ventures". This is outside operating profit but within underlying profit before tax.
3. After the transaction the assets and liabilities of the Bank will not be consolidated line by line in the Group Balance Sheet but will be shown as a single line representing Sainsbury's equity share (i.e. 50%) of the Bank's net assets at the balance sheet date. Net assets will increase by profit on disposal. The £21 million proceeds will increase cash flow in 2006/07. The Bank's net funds will be excluded from Group net debt resulting in an increase in Group net debt offset by the cash receipt.
4. Sainsbury's Bank plc commenced trading in February 1997 and was 55 per cent owned by J Sainsbury plc and 45 per cent by The Governor and Company of the Bank of Scotland. The Governor and Company of the Bank of Scotland is a wholly owned subsidiary of HBOS plc. The Bank provides a range of quality financial products including insurance, credit cards, savings and loans. With access to over 16 million customers per week, the Bank model is an effective proposition. As at 31 March 2006 Sainsbury's Bank had net assets of £178m and generated an operating loss of £10m for the year to 31 March 2006.

Sale of five per cent of Sainsbury's Bank

Sainsbury's today announces that it has sold five per cent of its shareholding in Sainsbury's Bank for £21 million to HBOS. This sale will give rise to a profit on disposal of around £10 million. The proceeds will be used for general business purposes.

As a result of this transaction the Bank will become a 50:50 joint venture between Sainsbury's and HBOS with equal control and input at shareholder and Board level. Both parties believe that the 50:50 joint venture structure is more appropriate and reflects the shared commitment each partner has to growing the business for the long-term.

The Board of Sainsbury's Bank will comprise eight directors with three from both Sainsbury's and HBOS and two executives from the Bank. Benny Higgins, HBOS retail chief executive, will be the new chairman for a period of two years, after which Darren Shapland, Sainsbury's chief financial officer will assume the role. The Sainsbury's directors will be Darren Shapland, Gwyn Burr, customer director and Imelda Walsh, HR director.

Darren Shapland, said, "We are committed to growing the Bank's business and are increasing our presence in the financial services sector. The Bank's chief executive, Rob Walker, is streamlining the operational structure and developing a broader business plan. The sale of our five per cent for £21 million demonstrates the value of the Bank and a 50:50 structure reflects the continued commitment of both shareholders'."

Benny Higgins, said, "Sainsbury's Bank has strong customer loyalty. The business has demonstrated it can acquire and retain customers very effectively. There is significant potential to grow the business. We aim to do just that."

With access to over 16 million customers per week, the Bank model is an effective proposition.
